

# Parish of St John's Wood 2016 Nursery/Reception/Secondary/6th Form

## Information form - to help prepare priest's religious reference

Please complete this form and bring it to your appointment with Fr Jeff.

He will discuss it with you and keep it to help him prepare any necessary Priest's Reference forms.

Having completed *this form* then, in the Autumn when you present forms for a priest's reference, you will only need to complete Part B of the Diocesan approved School forms (ie the part the priest signs.) You can ignore Part A of school forms (which are intended for the priest only, and which simply ask for information you will give when completing this present form).
